Letters	Encourage children to place return forms in class box.
Voluntary Donations	Thank you in advance for your weekly donation of 50p for toast, cooking ingredients, gardening resources and additional topic based snacks.
Collecting at the end of day	Your child will be dismissed promptly at 3:10 from the school gate.
School Newsletter	Emailed home every Thursday-please note important dates and events.

## Oak Class

# Summer 2021 Newsletter for Children and Parents.

## Class Routines and Information

Welcome to the Summer term. We hope that you have had a safe break from school and are looking forward to some routine and structure, we sure are!

**Staff:** Mrs Puntrello will continue to teach Oak class on Monday, Tuesday and Wednesday. Mrs Ghuman will teach Oak class on Thursday and Friday. Mrs Wilmington will be supporting Oak class each day.

**Reading:** We will continue to hear your child read in school each week. We are now able to send a reading book home daily. Please support your child by hearing them read as often as you can. Please continue to make use of the subscription to Reading Eggs; login details were provided before we broke up for Easter.

**Homework:** Spelling words will be sent home each Monday. Please support your child's practice of building and writing these words and when ready, writing sentences. Basic skills homework will be sent home on Friday's.

**Water Bottles:** These will be sent home each Friday. Please ensure they are returned into school each Monday morning.

**Snack:** We offer a daily morning fruit or vegetable snack provided from the Government scheme. Occasionally there will be additional topic based snack. Milk and water will be available during snack time every day. We are very grateful for your 50p contributions which go towards cookery ingredients, additional snacks and resources for additional activities for the children;.

**Incident slips:** If your child has a head injury or nose bleed they will receive an orange incident slip to take home, informing you of the incident and the first aid administered. If it is a more serious injury we will phone you immediately.

**Uniform:** Please check that all uniform is still labelled with your child's name. Over time, handwritten labels fade and stickers can peel away. Please make sure your child has a suitable outdoor coat and as the weather gets warmer a sun hat. We will continue to spend much of our time learning outdoors.

## Topic Information for Parents

This term our topics will include; Superheroes, Dinosaurs, Animal Lifecycles, Growing Plants, Traditional Tales and Transport & Travel. Our weekly literacy tasks and stories will be based around the topics. Art, Music,

Daily maths and Sounds-Write sessions will continue to be taught in small groups. Please continue to practice word building the list emailed out on Monday's.

To further support maths skills taught at school, work on one more/one less, two more/two less than a number between 0-20, addition by adding the total number in two groups, estimating how many objects they can see and then checking by counting, would be much appreciated.

If your child receives a sports certificate, medal or trophy through extra-curricular activities, we would love to see it and share it in our weekly virtual celebration assembly.

### Values that we will be learning about this term are:

April—Trust

May- Co-operation

June- Positivity

July- Friendship

It is always lovely to hear how children are living the values out of school. Please do let us know when you witness your child demonstrating one of our values and we will celebrate this.
