The School will do its best to:

- Provide an environment which has been risk assessed in response to the Government guidance on COVID-19 infection and Central Bedfordshire guidance.
- Maintain social distancing rules required and encourage all children to keep 1 plus metres apart as far as is reasonably possible.
- Provide a positive environment for the children to be part of.
- Take the time to explain the school day and the rules we need to follow at this time.
- Provide the children with individual resources that they will need when at school such as pens, pencils, ruler and scissors.
- Provide a curriculum that first and foremost, aims to meet the needs of your child's mental health and well-being as well academic needs.
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy as well the expectations outlined in this agreement.
- Contact parents/carers by phone if your child displays symptoms of COVID-19.
- Inform you if staff or children in your child's class tests positive for COVID-19 as this will mean your child will be advised to get a pcr test as soon as possible; they will not need to isolate whilst waiting for the result unless they are symptomatic.
- Communicate between home and school through newsletters, website and email address.
