Summer Term

Our May Value is Resilience

Values

Our school value for May is resilience. This month we will be discussing what it means to be resilient and what this looks like in and out of school. We will explore how hard it can be to 'bounce back' from difficult situations and how this links into our other values of courage, hope and perseverance.

On Wednesday Mrs Puntrello led a whole school Stormbreak, our mental health programme we use in school, to highlight the importance of being resilient and how this has an impact on our mental health.

As always, please let us know if your child shows an understanding of this value outside of school.

Parent forum

Thank you to everyone who attended our parent forum on homework last week. The notes of the forum are now available at [Harlington Lower School - Parent Forum](#) As a result of the forum, a letter about homework came out earlier this week. Please make sure that you have read this.
