

**11th July 2024**

**Summer Term**

*Our July values are Citizenship*

Dear Parents and Guardians,

We are writing to share a small adjustment to our Monday schedule following England's amazing win last night in the football match meaning they will be playing in the Euro 2024 Final against Spain on Sunday evening at 8pm. This is a remarkable moment for our country, and we understand that many families will be keen to watch and celebrate this special occasion together.

To support our families in engaging with this event, we have decided to offer an optional later start on Monday morning, 15th July. Please note the following details:

- **This is entirely optional:** Classroom doors will still be open at 8.45am as usual for those who wish to maintain their regular schedule.
- **Extended gate opening:** The main gate on the playground will remain open until 9.30am, with a member of staff on duty during this time.
- **Late arrivals:** The gate will close at 9.30am. Any student arriving after this time must enter via the main office and will be considered late.

We hope that this optional later start will provide flexibility for our families to fully enjoy this significant event. Your understanding and support in making this adjustment are greatly appreciated.

Thank you for your continued support, and we hope you enjoy the game on Sunday evening!

Yours sincerely,

Miss V Paulding

Headteacher
